

Dear Senator Schumer,

I am writing to urge you to fight the proposed deal between Verizon's subsidiary Verizon Wireless & the Cable companies. The FCC and DOJ should not approve this deal, which destroys good, union jobs, and is also bad for customers.

This proposed deal ends a historic competition between Verizon & the Cable companies, including Comca & Time Warner. Verizon, through its subsidiary Verizon Wireless, will form a giant, unregulated quasi-monopoly with the cable companies.

This deal will be very profitable for Verizon Wireless & Cable, ending any incentive to invest in FiOS & compete against cable. There will be fewer jobs building, maintaining, servicing & installing the FiOS network.

Buffalo, Syracuse, Albany, other Upstate cities & rural areas, as well as Eastern Long Island will all get left behind with no cable competition, costing EWA & IBEW jobs. Even regions with FiOS could be affected, since there will be far less incentive to invest in the network.

I urge you to reject this proposed deal because it will destroy jobs, as well as hurt customers. Thank You for your consideration.

Sincerely

John Zaremba- 133 Chestnut Way, Manalapan, NJ

Dear Senator Schumer,

I am writing urging you to please fight the proposed deal between Verizon Wireless and Cable Companies. This will destroy union jobs.

This will ultimately end competition between numerous companies including Verizon and Cable Companies. There will be one company monopolizing the telecommunication industry.

This will cause our surrounding cities, rural areas, upstate as well as Long Island to lose jobs within CWA and FBW. I urge you to save middle class jobs and consider rejecting the proposal.

Thanking you in Advance.

This proposed deal ends a historic competition between Verizon and the Cable companies, including Comcast and Time Warner. Verizon, through its subsidiary Verizon Wireless, will form a giant, unregulated, quasi-monopoly with the Cable companies.

This deal will be very profitable for Verizon Wireless and Cable, ending any incentive to invest in FiOs and compete against Cable. There will be fewer jobs building, maintaining, servicing, and installing the FiOs network.

Buffalo, Syracuse, Albany, other upstate cities, and other rural areas, as well as Eastern Long Island, will all get left behind with no Cable competition, costing CWA and IBEW jobs. Even regions with FiOs, since there will be far less incentive to invest in the network.

I urge you to reject this proposed deal because it will destroy jobs, as well as hurt customers. Thank you for your consideration.

Sincerely,

John J. Behler Jr.

Dear Senator Menendez,

I am writing to urge you to fight the proposed deal between Verizon's subsidiary Verizon Wireless and the Cable companies. The FCC and DOJ should not approve this deal, which destroys good, union jobs, and is also bad for customers.

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast and Time Warner. Verizon, through its subsidiary Verizon Wireless, will form a giant, unregulated quasi-monopoly with the cable companies.

This deal will be very profitable for Verizon Wireless and cable, ending any incentive to invest in FiOS and compete against cable. There will be fewer jobs building, maintaining, servicing and installing the FiOS network.

Areas without FiOS franchises will all get left behind with no cable competition, costing CWA and IBEW jobs. Even regions with FiOS could be affected, since there will be far less incentive to invest in the network.

I urge you to reject this proposed deal because it will destroy jobs, as well as hurt consumers. Thank you for your consideration.

Sincerely,

DEAR SENATOR GILLIBRAND:

I AM WRITING TO URGE YOU TO FIGHT THE PROPOSED DEAL BETWEEN VERIZON'S SUBSIDIARY VERIZON WIRELESS AND THE CABLE COMPANIES. THE FCC AND DOJ SHOULD NOT APPROVE THIS DEAL, WHICH DESTROYS GOOD, UNION JOBS, AND IS ALSO BAD FOR CUSTOMERS.

THIS PROPOSED DEAL ENDS A HISTORIC COMPETITION BETWEEN VERIZON AND THE CABLE COMPANIES, INCLUDING COMCAST AND TIME WARNER. VERIZON, THROUGH ITS SUBSIDIARY VERIZON WIRELESS, WILL FORM A GIANT, UNREGULATED QUASI-MONOPOLY WITH THE CABLE COMPANIES.

THIS DEAL WILL BE VERY PROFITABLE FOR VERIZON WIRELESS AND CABLE, ENDING ANY INCENTIVE TO INVEST IN FIOS AND COMPETE AGAINST CABLE. THERE WILL BE FEWER JOBS BUILDING, MAINTAINING, SERVICING AND INSTALLING THE FIOS NETWORK.

BUFFALO, SYRACUSE, ALBANY, OTHER UPSTATE CITIES AND RURAL AREAS, AS WELL AS EASTERN LONG ISLAND, WILL ALL GET LEFT BEHIND WITH NO CABLE COMPETITION, COSTING CWA AND IBEW JOBS. EVEN REGIONS WITH FIOS COULD BE AFFECTED, SINCE THERE WILL BE FAR LESS INCENTIVE TO INVEST IN THE NETWORK.

I URGE YOU TO REJECT THIS PROPOSED DEAL BECAUSE IT WILL DESTROY JOBS, AS WELL AS HURT CONSUMERS. THANK YOU FOR YOUR CONSIDERATION.

This proposed deal ends a historic competition between Verizon and the cable companies, including Comcast and Time Warner. Verizon, through its subsidiary Verizon Wireless, will form a giant, unregulated quasi-monopoly with the cable companies.

This deal will be very profitable for Verizon Wireless and cable, ending any incentive to invest in FiOS and compete against cable. There will be fewer jobs building, maintaining, servicing and installing the FiOS network.

Buffalo, Syracuse, Albany, other Upstate cities and rural areas, as well as Eastern Long Island, will all get left behind with no cable competition, costing CWA and IBEW jobs. Even regions with FiOS could be affected, since there will be far less incentive to invest in

the network.

I urge you to reject this proposed deal because it will destroy jobs, as well as hurt consumers. Thank you for your consideration.

Sincerely,
Tyanya Franklin
